

Personnel

The Personnel windows display information about your clergy and religious, staff, teachers, catechists, and volunteers. To view all of your personnel records, on the Personnel tab, click **All Personnel**. If you only want to view records for a specific group, for example, staff, click **Staff**.

Locating a Personnel Record

At the top, you can search for a single record based on the individual's name, ID, phone number, or email. Or you can scroll through each record until you find the one you want.
