

Church Life

Church Life™ is a free mobile app that complements Access ACS so you can access church information on your mobile device.

Administrators, pastors, small group leaders, and members can benefit from Church Life's features.

Administrators and leaders

Interested in launching Church Life to your congregation?

Read more about software requirements, choosing which features display in the app, and setting up permissions.

Members and attendees

New to Church Life?

Install Church Life on your mobile device and log in.

Need help?
