

Church Life Installation and Login

ACS Church Life™ is a free mobile app that keeps your important church information conveniently on your mobile device.

Install ACS Church Life

Visit the appropriate website to download and install the app to your mobile device or tablet.

For other mobile devices, enter www.churchlife.mobi into any browser.

Log In

On your tablet or mobile device, open the ACS Church Life app.

When the sign in screen displays, choose how you will enter your login credentials. These are the credentials you use to log into your church's website.

You can enter your **Email Address** and **Password**, or your church's **Site Number**, **Username**, and **Password**. If you don't know your church's Site Number, contact your church administrator.

To remember your login information, change the **Remember Me** option to **Yes**.
