

# Member and Attendee Guide

## Welcome to Access ACS!

Access ACS helps you stay connected with your church's activities, small groups, and events, as well as manage your personal information and giving.

Access ACS lets you:

- Communicate within your church or organization and helps you manage your information
- Create, view and join activities, classes, small groups, or special groups
- [Register for events](#) and manage registrations for yourself, family members and guests
- View your [giving history](#), [scheduled gifts](#), and [contribute online](#)
- View serving and [volunteer opportunities](#) and sign up for them within the program

If you serve as a group leader, check out the [Group Leader Guide](#) as well to learn how to manage your groups in Access ACS.
