

Log In and Choose a Theme

1. Click the link you were emailed when you signed up for Extend.
2. Enter your **User Name** and **Password**. These were also provided in the email. You might also be asked to change your password.
3. On the main Extend page, click **Site Design**.

4. On the Design tab, select a **Category**, **Design**, and **Scheme** for your site. Click the **Preview** image to enlarge.

5. On the Customize tab, enter your organization's **Name** (such as "Airport Church") and a welcome **Phrase**. These will appear prominently on your home page.
6. Click **Save**.
