

Manage Activities in Abundant

If you use [Abundant for eGiving](#), you can manage which activities your parishioners can give to.

Add the activities you want to display on your giving page. Parishioners will be able to see and give toward these.

1. Make sure the activity you want to add is already set up in PDS.
2. On the File menu, click **Setup > eGiving Setup**.
3. With **I Use Abundant** selected, click **Select Activities** at the bottom.
4. Select the check box beside each activity you want to display in Abundant.

Useful Information

Once an activity has been uploaded to Abundant, clearing this check box will not remove it. Activities cannot be removed from Abundant at this time, only deactivated.

5. Click **Save**.

When you save, PDS automatically uploads the selected activities to Abundant.

If you need to change the wording of an activity on Abundant, edit the fund in PDS as you normally would.

1. On the Administration tab, click **Fund Setup**.
2. Locate the fund you want to edit.
3. Edit the activity name in the grid.
4. Click **Save** at the top.

When you save or move to another screen, PDS automatically sends your changes to Abundant.

Activities cannot be removed from Abundant at this time, but you can deactivate them. Parishioners cannot give to inactive activities.

If you want to keep the activity or fund in PDS:

1. On the File menu, click **Setup > eGiving Setup**.
2. With **I Use Abundant** selected, click **Select Activities** at the bottom.
3. Clear the check box beside the activity you want to deactivate in Abundant.
4. Click **Save**.

If you no longer need the activity or fund in PDS:

1. On the Administration tab, click **Fund Setup**.
2. Locate the fund you want to edit or delete.

3. To remove an activity, click the delete icon , select the activity, then click **Delete/OK**. To remove the fund, click **Delete Fund** at the top.
