8.2B Hot Fix 4-10-18

To get the latest version, go to the File menu in your program and click **C** [Download Now](#)
heck for Program Update. Or, just click **Download Now**.

Corrections

We fixed the following issue that affected some of our customers:

- In the Pledge Card Entry quick posting, moving your cursor around in the posting grid caused incorrect values to display in the Rate column.
- In OnDemand, the program froze if you clicked Properties while trying to print the screen.
