

# End of Support for TMS - Final Notice

## We Are Ending Support For TMS - December 31, 2015

We know you have enough on your plate for the holidays, but we're reaching out one last time to remind you that, as of January 1, 2016, support for TMS will be limited to helping you upgrade to the latest version of ACS Facility Scheduler.

If you'd like to learn more about ACS Facility Scheduler, visit our [product page](#), browse [help articles](#) and [release notes](#), or check out our [video training library](#). Or, if you'd like to talk to someone, just call us at 1-800-669-2509. We look forward to assisting you before you feel like this lady under the tree!
