

Global Confluence Images

Stored Images

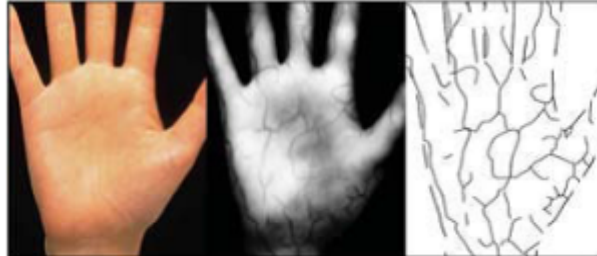

Do not change page or image names. Do not restrict these pages.

Do not change the names of this page, or any children pages. If you change the page names, image links will break.
Do not remove or rename any of the images.

Do not restrict the viewing permissions for these pages. These page permissions apply to all of the pages these images are linked to. Restricting pages could result in the images not displaying in other areas of the wiki.

All global images (images that are used across multiple wiki spaces) are attached to this page.
